Psalm 36:3

The words of his mouth are wickedness and deceit;
He has ceased to be wise and to do good.

Words. The words of our mouth are so important. Words were used to build this universe we live in. Words will be used to renovate it by fire in the end and build new heavens and a new earth. Wicked words unleash powers just as strong, but unto death. You can watch a person who is going nowhere fast, their words will pour forth wickedness. I know some people who thrive on deceit. They think they are fooling others. They have only fooled themselves. All their words revolve around lies paved to deceive.

If he has ceased to be wise and good it means he once walked wise and good. One cannot cease doing something until he first does it. This man was once a wise man and did good things with his life. This statement is just one of dozens that prove beyond any shadow of a doubt that a soul can walk with God and backslide.

In The Master's Service,

Bo Sullivan
